

**Federal Emergency Management Agency  
PUBLIC NOTICE  
Notice of Availability of the Final Environmental Assessment (EA) and  
Finding of No Significant Impact (FONSI)  
Drainage Improvements Project, City of Cuero, Texas  
FEMA-1257-DR-TX**

Interested persons are hereby notified that the Federal Emergency Management Agency (FEMA) is proposing to assist in the funding of eight drainage improvement projects for the City of Cuero, Texas. In accordance with the National Environmental Policy Act (NEPA) of 1969, National Historic Preservation Act (NHPA), Executive Order 11988, Executive Order 11990, and the implementing regulations of FEMA, an Environmental Assessment (EA) was prepared to assess the potential impacts of the Proposed Action on the human and natural environment. The EA was released for public comment on August 18, 2004. No public comments were received during the 30-day comment period; therefore, the Environmental Assessment has been finalized and a Finding of No Significant Impact (FONSI) has been made. This also provides public notice for potential work within the regulated floodplain, in accordance with Executive Order 11988 and 44 CFR Part 9.12.

The reasons for the decision not to prepare an Environmental Impact Statement (EIS) are as follows:

1. No significant adverse environmental impacts have been identified to existing land use, water resources (surface water, groundwater, waters of the United States, wetlands, and floodplains), air quality, noise, biological resources (vegetation, fish and wildlife, state and Federally listed threatened or endangered species and critical habitats), safety, hazardous materials and waste, cultural resources, or result in disproportionately high or adverse effects on minority or low-income populations, and
2. The project is necessary to meet the needs of the citizens in the City of Cuero.

No further environmental review of this project is proposed to be conducted prior to the release of FEMA funds.

Copies of the final EA and FONSI can be obtained by contacting:

Corlis Riedesel  
City Manager  
212 East Main Street  
Cuero, Texas 77954

The final EA and FONSI are also available on the FEMA website:  
<http://www.fema.gov/ehp/docs.shtm>. Copies will be available for viewing at the Cuero Public Library, 207 East Main Street, Cuero, Texas 77954.
