

# FY 2010 TRANSIT SECURITY GRANT PROGRAM (TSGP)

## Operational Expense Certification Form

The applicant electing to pursue OPack funding is required to submit additional documentation and is subject to additional requirements. In addition, awardees must commit to minimum training standards to be set by the Department for all federally funded security positions.

I, [insert name], as the [insert title of insert agency name], request funds from the Fiscal Year (FY) 2010 Transit Security Grant Program (TSGP) for operational activities for the [insert region name] region in the amount of [insert dollar amount]. I certify that these operational funds will only be used to fill new dedicated full-time positions related to Operational Packages (OPacks) eligible under the FY 2010 TSGP or to pay for initial overtime costs associated with establishing the OPack position capability approved for FY 2010 TSGP funding by DHS until the new full-time officers are in place. I also confirm [agency name's] understanding that, after a 36-month period of performance, positions funded with these operational funds will no longer qualify for Federal funding under this or future TSGP awards. In all cases, the activities paid for by the FY 2010 TSGP funds will result in additional capabilities not previously available and/or paid for by the agency/region. I certify [agency name's] understanding that failure to sustain the level of capability established by these operational funds beyond the period of performance will result in disqualification of [agency name] from using future TSGP awards for operational activities.
