**FISCAL YEAR 2020  
PORT SECURITY GRANT PROGRAM  
NOTICE OF FUNDING OPPORTUNITY (NOFO)  
KEY CHANGES**

**Bonus for Addressing Cybersecurity**

Applicants who sufficiently address the Cybersecurity National Priority will receive a 20 percent increase to their project scores. Refer to Section E of the Fiscal Year (FY) 2020 Port Security Grant Program (PSGP) NOFO for additional details.

**Clarifications Regarding Training, Personnel Costs, Maintenance and Sustainment**

Language contained in FEMA's FY 2020 Preparedness Grant Manual has been revised under the Port Security Grant Program section to:

- Clarify and specify training requirements with emphasis on training dedicated to the enhancement of Maritime Security; and
- More fully explain allowable personnel costs and maintenance and sustainment activities.
