

Disaster Recovery Center to Open Sept. 1 in Lʻhainʻ

Release Date: agosto 31, 2023

HONOLULU – A Disaster Recovery Center will open **Friday, Sept. 1**, in Lʻhainʻ to help residents who were affected by the wildfires learn about local, state and federal assistance programs.

In keeping with Native Hawaiian tradition, a kumu, or community elder, blesses all facilities before the official opening, and the new Disaster Recovery Center in Lʻhainʻ had its blessing Aug. 31.

You do not need to visit a Disaster Recovery Center to register for FEMA assistance. However, Disaster Recovery Centers are open to those who would like to speak, in person, to a FEMA specialist or representatives from the U.S. Small Business Administration and the American Red Cross.

The Lʻhainʻ Disaster Recovery Center is located at:

Lʻhainʻ Civic Center Gymnasium

1840 Honoapiʻilani Highway

Lʻhainʻ, HI 96761

Opens: 8 a.m. Friday, Sept. 1

Regular hours: 8 a.m. to 7 p.m. daily

FEMA mitigation advisers will be at the Disaster Recovery Centers to offer tips about rebuilding and protecting homes from disaster-related damage. Most of the information provided is geared toward do-it-yourself work and general contractors.

Specialists from the SBA, which provides low-interest disaster loans to homeowners, renters and businesses of all sizes, will also be at the Disaster Recovery Centers. For more information, please visit <https://www.sba.gov/hawaii->
