

# School Began Today in Mayaguez and San Juan Regions

Release Date: Octubre 25, 2017

**SAN JUAN, Puerto Rico** – Students from 143 schools in the Mayaguez and San Juan regions began school today. Students from 24 schools that are not opening, are being relocated throughout the 59 schools opened in the Mayaguez region and 60 schools in the San Juan area.

Teachers returned to these schools yesterday to prepare them for their students' arrival, and to ensure students would have the supplies they need.

The government of Puerto Rico and FEMA with its federal partners continue to work together to assess school facilities, remove debris from routes to schools and campuses, and prepare more schools for opening.

Below is the list of schools that are beginning to receive students today.

*FEMA's mission is to support our citizens and first responders to ensure that as a nation we work together to build, sustain, and improve our capability to prepare for, protect against, respond to, recover from, and mitigate all hazards.*

*Disaster recovery assistance is available without regard to race, color, religion, nationality, sex, age, disability, English proficiency or economic status. If you or someone you know has been discriminated against, call FEMA toll-free at 800-621-3362 (voice, 711/VRS - Video Relay Service; TTY: 800-462-7585). Multilingual operators are available (press 2 for Spanish).*

*The SBA is the federal government's primary source of money for the long-term rebuilding of disaster-damaged property. SBA helps businesses of all sizes, private non-profit organizations, homeowners and renters, which can cover the cost of replacing lost or disaster-damaged real estate and personal property. These disaster loans cover losses not fully compensated by insurance or other recoveries and do not duplicate benefits of other agencies or organizations.*
