Release Date: Juillet 23, 2019

Oklahoma City, OK – Six more state/federal Mobile Disaster Recovery Centers (DRCs) are opening in the following Oklahoma communities: Cherokee (Alfalfa County), Ponca City (Kay County), Kingfisher (Kingfisher County), Spiro (Le Flore County), Claremore (Rogers County) and Alva (Woods County).

Mobile DRCs are disaster resources that allow state and local officials to maximize their reach to as many affected areas and survivors as possible. The centers offer in-person support to Oklahoma homeowners, renters and business owners who sustained damage or losses during the severe storms, straight-line winds, tornadoes and flooding between May 7 and June 9, 2019.

Recovery specialists from the Federal Emergency Management Agency (FEMA), the U.S. Small Business Administration (SBA) and the Oklahoma Department of Emergency Management (OEM) will be at the centers to talk about assistance and to help anyone who needs guidance in filing an application.

The mobile DRCs are open Monday through Saturday from 8 a.m. to 6 p.m. and are closed on Sundays. The centers will begin opening at the following locations, starting July 24:
