

Mitigation Experts Offer Rebuilding Advice

Release Date: November 13, 2022

BRANDON, Fla. – As Floridians rebuild, survivors of Hurricane Ian can get free advice on how to rebuild stronger and safer against storms.

FEMA mitigation specialists will be at several locations to answer questions and offer free home improvement tips and proven methods to prevent and lessen damage from future disasters. This information is geared for do-it-yourself work and general contractors.

Mitigation is an effort to reduce the loss of life and property damage by lessening the impact of a disaster. FEMA specialists will be available during the following dates and locations:
