The U.S. Department of Homeland Security (DHS), through the Federal Emergency Management Agency (FEMA), is providing \$355.1 million in funding to assist state, local, tribal, and territorial governments in developing their emergency management capabilities and for all-hazards preparedness activities.

Overview

The Fiscal Year (FY) 2023 Emergency Management Performance Grant (EMPG) Program is one of the grant programs that constitute DHS/FEMA's focus on all-hazards emergency preparedness. These grant programs are part of a comprehensive set of measures authorized by Congress and implemented by DHS/FEMA to assist state, local, tribal, and territorial emergency management agencies to implement the National Preparedness System and the National Preparedness Goal of a secure and resilient nation. For FY 2023, three national priorities are highlighted to address the increasing range and complexity of disasters, support the diversity of communities we serve, and complement the nation's growing expectations of the emergency management community:

- Equity;
- Climate Resilience; and
- Readiness.

Funding

In FY 2023, the EMPG Program will provide \$355.1 million in funding to assist state, local, tribal, and territorial governments in preparing for all hazards. Today, DHS is announcing funding in the amount of \$355.1 million to support the FY 2023

EMPG Program. This funding amount includes \$355 million from the *FY 2023 Consolidated Appropriations Act* (P.L. 117-328) and \$100,000 from the Disaster Relief Fund, which FEMA must make available to the Federated States of Micronesia and the Republic of the Marshall Islands pursuant to Article X of the Federal Programs and Services Agreement of the *Compact of Free Association Act* (Pub. L. No. 108-188).

Either the State Administrative Agency (SAA) or the state's Emergency Management Agency is eligible to apply directly to FEMA for EMPG Program funds on behalf of each state or territory. However, only one application is accepted from each state or territory. Please refer to Section C of the FY 2023 EMPG Program Notice of Funding Opportunity (NOFO) for more information on eligibility.

Funding Guidelines
