

FEMA Teams Working in Tennessee

Release Date: décembre 15, 2023

ATLANTA – FEMA Disaster Survivor Assistance teams are going door-to-door in Davidson, Dickson, Montgomery and Sumner County neighborhoods to help individuals apply for FEMA assistance.

Using mobile technology, personnel can help survivors apply for assistance, update a FEMA application, and answer questions about federal assistance.

Team members wear FEMA attire and have federal photo identification badges. There is no charge for service. If you suspect fraud or fraudulent activity, call your local police or sheriff's office or call the FEMA Helpline at 800-621-3362.

It is not necessary to wait to apply for assistance. Survivors can go online to disasterassistance.gov, use the [FEMA mobile app](#) or call 800-621-3362, 6 a.m. to 10 p.m. CT. Help is available in most languages. If you use a relay service such as Video Relay Service (VRS), captioned telephone service or others, give FEMA your number for that service when you apply.
