

West Virginians Can Learn More About Rebuilding Their Homes

Release Date: Mars 14, 2025

CHARLESTON, W.Va. — Residents in Logan, McDowell, Mercer, Mingo, Wayne, and Wyoming counties who were impacted by the winter flooding between February 15 – 18, 2025 can visit Jimmy’s Hardware and Supply in McDowell County to speak with a FEMA mitigation specialist about building their home back better.

FEMA can provide education and resources to residents on safe clean-up procedures and mitigation actions to reduce the effects of future events. Mitigation staff can discuss opportunities on programs that are available to homeowners, explain the building and permitting process, and provide information on flood insurance and risk reduction techniques.

Jimmy’s Hardware and Supply

23 County Rd 7

Roderfield, WV 24881

Hours of operation:

Monday through Saturday: 8 a.m. to 6 p.m.

Closed on Sundays

Residents can also visit an open Disaster Recovery Center and speak with a FEMA mitigation specialist.
