Q. When is the rent payment due?

A. Rent must be paid within 30 days from the first of every month.

Q. What if a participant makes a payment after 30 days?

A. Payments made beyond the 1st of each month will be considered late and will be subject to a late fee equal to the HUD Fair Market Rent of the unit they are occupying as well as associated penalty fees related to the monthly cost for the unit i.e. Property Management Company fees, Performance Maintenance Inspection fees, furnishing fees and utilities.

If the household does not pay the HUD Fair Market Rent and all associated fees in full, they will be removed from their current unit and from FEMA's Direct Housing Program entirely.

Q. What if I would like to move out of my FEMA temporary housing unit?

A. If you have secured permanent housing or would like to leave your FEMA unit for another reason, notify your recertification advisor. If you vacate the unit by the end of the month, you are not responsible for the following month's rent. FEMA does not prorate monthly rent. If you move out of your FEMA unit at any point during the month, you are responsible for the full amount of the rent for that month.
