

DHS Announces Grant Allocations for Fiscal Year 2019 Preparedness Grants

Release Date: Oct 2, 2019

WASHINGTON— As part of the U.S. Department of Homeland Security's (DHS) ongoing efforts to support state, local, tribal and territorial partners, Acting Secretary Kevin K. McAleenan today announced final allocations of \$350 million for six Fiscal Year (FY) 2019 DHS competitive preparedness grant programs. These allocations together with the more than \$1.3 billion in non-competitive grant funding announced by DHS in April, total more than \$1.7 billion in FY 2019 granted to assist states, local areas, tribal and territorial governments, nonprofit agencies, and the private sector with their preparedness efforts.

Since 2002, DHS has awarded nearly \$52 billion to these partners. Preparedness grants strengthen our nation's ability to prevent, protect against, mitigate, respond to, and recover from terrorist attacks, major disasters, and other emergencies in support of the National Preparedness Goal and the National Preparedness System.

The FY 2019 grant guidance will continue to focus on the nation's highest risk areas, including urban areas that face the most significant threats. For FY 2019, the Urban Area Security Initiative (UASI) will enhance regional preparedness and capabilities by funding 31 high-threat, high-density urban areas. This represents Congressional intent to limit FY 2019 UASI funding to those Urban Areas that represent up to 85 percent of the nationwide risk, as stated in the Explanatory Statement accompanying the *Department of Homeland Security Appropriations Act, 2019* (Pub. L. No. 116-6).

Consistent with previous grant guidance, dedicated funding is provided for law enforcement and terrorism prevention activities throughout the country to prepare for, prevent, and respond to terrorism-related activity.

All capabilities being built or sustained must have a clear linkage to the core capabilities articulated in the National Preparedness Goal.

Preparedness Grant Program Allocations for Fiscal Year 2019:

Homeland Security Grant Program (HSGP)—provides more than **\$1 billion** for states and urban areas to prevent, protect against, mitigate, respond to, and recover from acts of terrorism and other threats.

- **State Homeland Security Program (SHSP)**—provides **\$415 million** to support the implementation of risk-driven, capabilities-based State Homeland Security Strategies to address capability targets. States are required to dedicate 25 percent of SHSP funds to law enforcement terrorism prevention activities.
- **Urban Area Security Initiative (UASI)**—provides **\$590 million** to enhance regional preparedness and capabilities in 31 high-threat, high-density areas. States and Urban Areas are required to dedicate 25 percent of UASI funds to law enforcement terrorism prevention activities.
- **Operation Stonegarden (OPSG)**—provides **\$90 million** to enhance cooperation and coordination among local, tribal, territorial, state and federal law enforcement agencies to jointly enhance security along the United States land and water borders.

Since the enactment of the 9/11 Act, FEMA has required states to ensure that at least 25 percent of the total funds awarded to them under SHSP and UASI are dedicated toward law enforcement terrorism prevention activities (LETPA). The total LETPA allocation can be satisfied from SHSP, UASI or both. In addition, states must obligate at least 80 percent of the funds awarded under SHSP and UASI to local or tribal units of government within 45 days of receipt of the funds.

Emergency Management Performance Grant (EMPG)—provides more than **\$350 million** to assist state, local, tribal, territorial governments in enhancing and sustaining all-hazards emergency management capabilities.

Tribal Homeland Security Grant Program (THSGP)—provides **\$10 million** to eligible tribal nations to implement preparedness initiatives to help strengthen the nation against risk associated with potential terrorist attacks and other hazards.

Nonprofit Security Grant Program (NSGP)—provides **\$60 million** to support target hardening and other physical security enhancements for nonprofit organizations that are at high risk of a terrorist attack. This year, \$50 million is

provided to nonprofits in UASI-designated urban areas, and \$10 million is provided to nonprofits located in any state or territory.

Intercity Passenger Rail - Amtrak (IPR) Program—provides **\$10 million** to protect critical surface transportation infrastructure and the traveling public from acts of terrorism and increase the resilience of the Amtrak rail system.

Port Security Grant Program (PSGP)—provides **\$100 million** to help protect critical port infrastructure from terrorism, enhance maritime domain awareness, improve port-wide maritime security risk management, and maintain or reestablish maritime security mitigation protocols that support port recovery and resiliency capabilities.

Transit Security Grant Program (TSGP)—provides **\$88 million** to owners and operators of transit systems to protect critical surface transportation and the traveling public from acts of terrorism and to increase the resilience of transit infrastructure.

Intercity Bus Security Grant Program (IBSGP)—provides **\$2 million** to owners and operators of intercity bus systems to protect critical surface transportation infrastructure and the traveling public from acts of terrorism and to increase the resilience of transit infrastructure.
