Two Vaccination Events Saturday, Sunday (April 17-18, 2021) at America's Center

At the Dome: FEMA Offers Pfizer Vaccine Dose #1 & #2; Walk-ins Welcome

At Convention Center: City Gives Moderna Vaccine Dose #2; By Appointment

ST. LOUIS – FEMA and the City of St. Louis are holding separate mass vaccination events all weekend at America's Center in downtown St. Louis (April 17-18, 2021).

FEMA is offering the Pfizer vaccine at the Dome. You can get dose-one or dose-two. Walk-ins are welcome. No appointments are required. Free parking is available at 6th and Cole Streets. For the FEMA clinic and the Pfizer vaccine, use Dome Entrance C at the corner of Broadway and Cole. FEMA has vaccinated more than 12,500 St. Louisans at the Dome since opening last week.

The City of St. Louis is providing dose-two of the Moderna vaccine at the Convention Center by appointment only. The Convention Center entrance is on the opposite side of America's Center at the corner of 8th Street and Washington Avenue. The City's event is only for those who received their first dose of the Moderna vaccine last month and have an appointment for this weekend. Parking for the City's Moderna clinic is available at the St. Louis Centre East Garage at 420 N. 6th Street.

For either event, if you are getting your second shot, please bring your CDC Vaccination Record Card.

FEMA

Everyone trying to get their very first vaccine shot should go to FEMA's vaccination event at the Dome at the corner of Broadway and Cole. Use Entrance C. An appointment is not required. FEMA's center is open every day from 8 a.m. until 6 p.m. until June 1.

For public transportation, take MetroLink to the Convention Center station. Dome Entrance C is two blocks north at the corner of Broadway and Cole. MetroBus routes #32, #40 and #174X have a stop in front of the Dome.
