

Damaged Well, Furnace or Septic System? FEMA Can Help

Release Date: Jiyè 23, 2023

WILLISTON, Vt. – If you lost access to water because a private well or septic system was damaged, or if your HVAC System or furnace was damaged by the recent flooding in Caledonia, Chittenden, Lamoille, Orange, Rutland, Washington, Windham and Windsor counties, you may be eligible for FEMA assistance.

For private wells, HVAC Systems, furnaces and septic systems, FEMA may reimburse you for the cost of a professional, licensed technician to visit your home and prepare an estimate for necessary repairs or replacement of your disaster-damaged systems.

FEMA may also pay for the actual repair or replacement cost of your septic system or private well, which are not insurable items.

If you applied for FEMA assistance you will be contacted for a home inspection, call the FEMA Helpline at 1-800-621-3362 if you have not been contacted and it has been more than 7-10 days. At the time of your inspection, let the FEMA inspector know you have a private well and/or septic system that may have been damaged. If the damage is determined to have been caused by the floods, you may be eligible for FEMA assistance.

If you already had an inspection and damage to the well or septic system wasn't reported, call the FEMA Helpline to update them on your damages. Please keep your contractor's statement, estimates and receipts. You may refer to the FEMA decision letter you received for more information or appeals guidance if a decision has already been made.

To register for FEMA assistance, call the FEMA Helpline at 1-800-621-3362, go online to [DisasterAssistance.gov](https://www.fema.gov/disaster) or download the [FEMA App](#). If you use a relay service such as video relay service (VRS), captioned telephone service or others, give FEMA your number for that service when you apply.
