

Reminder to Use FEMA Assistance for Intended Purposes

Release Date: Feb 29, 2024

If you live in Androscoggin, Franklin, Kennebec, Oxford, or Somerset counties and sustained loss from the severe storm and flooding, FEMA may be able to help. You may be eligible for FEMA financial assistance for temporary lodging, basic home repairs, personal property losses and other uninsured disaster-related expenses.

Disaster assistance is intended to help applicants pay for home repairs, or replacement of personal property lost because of the severe storm and flooding. A letter explaining what the payment is to be used for arrives shortly after you receive the check or direct deposit payment.

Those receiving assistance are urged to keep receipts for their disaster spending for three years to document that the money was used to meet disaster-related expenses. If you receive an insurance settlement to cover the same expenses, you must reimburse FEMA. Audits may be conducted to confirm funds were spent properly.

If an applicant uses the payment on anything other than its intended purpose, they may be ineligible for future disaster assistance. In some cases, FEMA may ask that the funds be returned.

There are several ways to apply for FEMA assistance:
