Homeowners and renters in the designated counties can apply for FEMA assistance online at disasterassistance.gov, by calling 800-621-3362 or by using the [FEMA mobile app](#). If you use a relay service, such as video relay (VRS), captioned telephone or other service, give FEMA the number for that service.

When you apply for assistance, have the following information ready:

- A **current phone number** where you can be contacted
- Your **address at the time of the disaster** and the **address where you are now staying**
- Your **Social Security Number**
- A general **list of damage and losses**
