

FEMA Approves More Than \$1.1M for Perry County Board of Education to Replace School Contents

Release Date: Jan 4, 2024

FRANKFORT, Ky. – FEMA has approved more than \$1.1 million in federal funding to reimburse the Perry County Board of Education for its response to the Eastern Kentucky floods on July 26, 2022.

FEMA approved \$1,134,539 to replenish the interior contents of Buckhorn School, which was inundated with more than 6 feet of flood waters. These funds will help to replace furnishings, schoolbooks, computers and other contents destroyed by the floods.

The federal share for this Public Assistance project is 75% of the eligible costs, with the remaining 25% coming from other sources.

FEMA obligates funding for these projects directly to the Commonwealth. It is the Commonwealth's responsibility to ensure that the eligible sub-recipients receive these awards. Following the Commonwealth's review process and upon receipt of appropriate documentation, they will reimburse the sub-recipients.

FEMA's Public Assistance program provides grants to state, tribal, and local governments, and certain types of private nonprofit organizations, including eligible houses of worship.
