

FEMA To Visit Additional County to Assist Flooding Survivors

Release Date: August 5, 2024

Monona County has been added to the recent flooding declaration of June 16 to July 23.

FEMA teams will begin visiting neighborhoods in the additional county to help survivors of record flooding in northwest Iowa.

FEMA Disaster Survivor Assistance (DSA) teams work in coordination with state and county emergency management.

FEMA can provide money to eligible applicants for help with serious needs, paying for a temporary home repairs and other needs not covered by insurance.

The teams help survivors apply with FEMA and address immediate and emerging needs. They provide application status updates and referrals to community resources.

FEMA staff can easily be identified by their federal photo identification and FEMA clothing. Residents are encouraged to ask for official photo ID before providing personal information.
