Other Ways To Apply for FEMA Assistance

It is not necessary to go to a center to apply for FEMA assistance. Survivors can go online to DisasterAssistance.gov, call 800-621-3362 or use the [FEMA mobile app](#) to apply. If you use a relay service, such as video relay, captioned telephone or other service, give FEMA your number for that service.

Homeowners, renters, businesses, and nonprofit organizations can apply for long-term, low-interest disaster loans from the U.S. Small Business Administration (SBA) to cover losses not fully compensated by insurance and other sources. Apply online using the Electronic Loan Application (ELA) via the SBA's secure website at sba.gov/disaster.
