As a reminder, accepting FEMA funds will not affect eligibility for Social Security – including Social Security Disability Insurance (SSDI) and Supplemental Security Income (SSI) – Medicare, Medicaid, Supplemental Nutrition Assistance Program (SNAP) benefits, or other federal benefit programs.

FEMA assistance does not need to be repaid, but residents should file insurance claims as soon as possible. By law, FEMA cannot cover expenses that have already been covered by other sources like insurance, crowdfunding, local or state programs, donations, or financial assistance from voluntary agencies.
