---

**Release Date: 9? 30, 2021**

**DETROIT** - The Federal Emergency Management Agency (FEMA) is sending Disaster Survivor Assistance (DSA) teams to Macomb and Oakland counties where survivors of the June 25-26 severe storms and flooding are now eligible for Individual Assistance.

These teams will be visiting homes, businesses and nonprofit organizations in impacted areas to help residents register for assistance, identify and address immediate and emerging needs, and make referrals to other local, state, and voluntary agencies for additional support.

Like all FEMA personnel, DSA team members can be identified by their official federal photo ID badge and the FEMA logo on their shirts/vests. They will ask survivors for some personal information needed for registration, including: Social Security number, annual income and bank information, as well as names of occupants of the impacted property. **Survivors should always ask to see official identification before providing any personal information.**

Survivors can also register by:

- Calling 800-621-3362 (800-462-7585 TTY). Multilingual operators are available. The toll-free numbers are open from 7 a.m. to 11 p.m. ET, seven days a week.
