If you use a relay service, such as video relay (VRS), captioned telephone or other service, give FEMA the number for that service.

FEMA financial assistance may include money for temporary housing, basic home repairs or other disaster-related needs such as childcare, transportation and medical, funeral or dental expenses. All DRCs are jointly operated by FEMA and the Montana Department of Emergency Services.

Disaster survivors have until Aug. 29, 2022 to apply for FEMA assistance.
