Release Date: 8? 10, 2024

LITTLE ROCK, Ark. – Even if you have already begun repairing or replacing items that were damaged or destroyed during the severe storms and tornadoes of May 24-27, 2024, FEMA may be able to reimburse you for your expenses, if those expenses were not covered by insurance or other assistance. Be sure to save your receipts.

Residents in **Baxter, Benton, Boone, Fulton, Greene, Madison, Marion and Randolph** counties who had a home or personal property damaged or destroyed may be eligible for FEMA assistance.

FEMA can only approve home repairs that are necessary to restore the home to a habitable condition. The types of repairs or replacements that may be eligible for assistance include:

- **Appliances:** Includes standard household appliances, such as a refrigerator, washing machine, etc.
- **Clothing:** Essential clothing needed due to overall loss, damage, or contamination.
- **Room furnishings:** Standard furnishings found in a bedroom, kitchen, bathroom and living room.
- **Essential Tools:** Tools and equipment required by an employer as a condition of employment and items required as a condition of an applicant's or household member's education.

Applicants must meet the following conditions to receive Personal Property Assistance:
