

Assistance Available for Hurricane Francine Survivors in Louisiana

Release Date: 9? 30, 2024

BATON ROUGE, LA – FEMA’s disaster assistance offers benefits that provide flexible funding directly to survivors when needed the most. In addition, a simplified process and expanded eligibility allows Louisianans access to a wider range of assistance and funds for serious needs.

If you have serious needs due to Hurricane Francine, you may qualify for a one-time payment of \$750 per household through FEMA’s Serious Need Assistance (SNA). This payment would be in addition to any other assistance from FEMA.

SNA is money to pay for emergency supplies like water, food, first aid, breastfeeding supplies, infant formula, diapers, personal hygiene items, or fuel for transportation. It is available in all disasters declared for Individual Assistance and is available to eligible survivors who apply within the first 30 days after the disaster was declared.

Another benefit is FEMA’s Displacement Assistance which includes money to help with housing needs if you cannot return to your home because of the disaster. The money can be used to stay in a hotel, with family and friends or other options.

These benefits are available to eligible survivors living in Ascension, Assumption, Jefferson, Lafourche, St. Charles, St. James, St. John the Baptist, St. Mary and Terrebonne parishes who apply for FEMA’s Individual Assistance.

Serious Needs Assistance and Displacement Assistance **require an inspection to confirm eligibility** before funds are provided to applicants.

You may be eligible for Serious Needs Assistance or Displacement Assistance if:

- You complete a FEMA application;
- FEMA can confirm your identity;

- The home where you live most of the year is in a declared disaster area;
- FEMA confirms the disaster damage from an inspection and documents you send; and
- You apply for FEMA assistance by **October 16, 2024**.
