

FEMA Staff Heading to Your Neighborhood

Release Date: 10? 3, 2024

Richmond, VA. — FEMA Disaster Survivor Assistance (DSA) Teams will be in Virginia beginning today, Oct. 3, to provide help to those affected by Tropical Storm Helene. They will start in Washington County, Va. FEMA staff will be answering questions about applications for Individual Assistance as well as helping those who have not yet registered.

Residents of **Giles, Grayson, Smyth, Tazewell, Washington** and **Wythe** counties as well as residents of the city of **Galax** are eligible to apply for assistance from FEMA to help with costs from damage and losses due to Hurricane Helene beginning September 25, 2024.

Disaster Survivor Assistance (DSA) teams help survivors in different ways. DSA teams conduct outreach in impacted counties and cities, help survivors register for FEMA assistance, check the status of applications and can make minor corrections to applications.

You do not need to wait for DSA teams to apply for FEMA assistance. There are other ways to apply:

- Visit DisasterAssistance.gov.
- Download the [FEMA App](#).
- Call the FEMA Helpline at **800-621-3362**.

If you have already applied for FEMA assistance, FEMA will have inspectors on the ground to follow up on applications and review reported damages.

While FEMA staff will be making neighborhood visits, residents of the affected communities should be aware of potential fraud and scams by people claiming to represent FEMA:

- FEMA representatives **never charge a fee or ask for payment**.
- FEMA representatives will always have a laminated identification badge.

- Protect the privacy of your nine-digit FEMA case/registration number. Legitimate FEMA representatives will only ask for the last four digits as part of the verification process.

If you have any concerns, you can call the FEMA Helpline at **800-621-3362**.
