

Disaster Recovery Centers to Close on November 23

Release Date: 11? 21, 2024

The Disaster Recovery Centers (DRC) located at the Hinesburg Town Hall (on Route 10632) and the Lyndon Public Safety Facility (316 Main Street) are scheduled to permanently close at 6 p.m. on Saturday, Nov. 23. Operating hours for the centers until then are 9 a.m. to 6 p.m.

The centers were opened for residents affected by the storms and flooding that took place July 9-11 and July 29-31 and who wanted to speak to FEMA and other disaster recovery specialists in person.

Residents don't need to visit the DRC to apply for FEMA assistance. Other ways to register before the **Nov. 25th deadline** include:

- Online at DisasterAssistance.gov
- With the [FEMA mobile app](#)
- Calling the **FEMA helpline** at **800-621-3362**. Help is available in multiple languages. If you use video relay service (VRS), captioned telephone service or another relay service, give FEMA your number for that service when you call. Phone lines operate from 7 a.m. to 11 p.m. seven days a week.

After the deadline, FEMA specialists will still be available to help applicants. Those who have already applied to FEMA, can ask questions, update contact information and applications and get advice on appealing a FEMA determination by calling the helpline.
