

Preliminary Flood Maps for Parker County, Texas Ready for Public View

Release Date: 2? 3, 2025

DENTON, Texas – Preliminary Flood Insurance Rate Maps (FIRMs) are available for review by residents and business owners in the cities of Aledo, Annetta South, Azle, Cresson, Fort Worth, Hudson Oaks, Weatherford, Willow Park and unincorporated areas of Parker County, Texas.

Property owners are encouraged to review the latest information to learn about local flood risks and potential future flood insurance requirements. Community residents can identify any concerns or questions about the information provided and participate in the appeal and comment period for the maps.

For this Physical Map Revision, the FIRMs for Parker County serve multiple purposes, including defining Special Flood Hazard Areas (SFHAs). SFHAs are areas at high risk for flooding. Community leaders can use these maps to make informed decisions about building standards and development that will make the community more resilient and lessen the impacts of a flooding event.

FEMA stresses that flooding can and does happen outside of the most vulnerable areas.

Review the preliminary flood maps by visiting the local floodplain administrator (FPA). A FEMA Map Specialist can help identify community FPAs. Specialists are available by telephone at 877-FEMA-MAP (877-336-2627) or by email at FEMA-FMIX@fema.dhs.gov.

The preliminary maps may also be viewed online:
