

# Disaster Recovery Center in Collier County to Close on September 27 at 8 p.m.

Release Date: September 25, 2017

**ORLANDO, Fla.** – The Disaster Recovery Center (DRC) located at Immokalee Community Center, 321 N. 1st St. Immokalee, FL 34142 in Collier County will close on Wednesday, Sept. 27, 2017. DRCs, like this one, are mobile disaster resources that allow federal, state and local officials to maximize their reach to as many affected areas and survivors as possible.

Disaster Recovery Centers offer in-person support to individuals and small businesses. Recovery specialists from the Federal Emergency Management Administration (FEMA), the U.S. Small Business Administration (SBA), and the State, are available to provide assistance to anyone with filling out applications or updating their status. Voluntary organizations are available and offer a variety of services to help survivors recover.

As more centers open, survivors may locate the nearest DRC to them at <https://www.fema.gov/disaster-recovery-centers> or by calling FEMA Helpline at 800-621-3362, (TTY) 800-462-7585. Helpline numbers are open from **7 a.m. to 11 p.m., seven days a week**. DRC information is also available on the [FEMA Mobile App](#).

The registration process is the first step in recovery and requires information such as insurance policies, and bank information for possible direct transfer of funds. Survivors are encouraged to register before visiting a DRC.

If you have phone and/or internet access, you may register in one of the following ways:

- Online at [DisasterAssistance.gov](https://DisasterAssistance.gov).
- Call the FEMA Helpline at **800-621-3362** for voice, 711 and Video Relay Service (VRS). If you are deaf, hard of hearing, or have a speech disability and use a TTY, call 800-462-7585. Information on the registration process is available in ASL at: [fema.gov/medialibrary/assets/videos/111546](https://fema.gov/medialibrary/assets/videos/111546).

**FEMA**

Page 1 of 3

- Help is available in most languages.
- Download the [FEMA Mobile App](#) and apply.

You may have other needs while visiting a DRC:

- If you require a reasonable accommodation such as American Sign Language interpreting, Braille, large print, etc., you may call the Helpline number for support at **800-621-3362**.
- Language translations are offered through Telephonic Interpretation Services in 200 languages.

Disaster Survivor Assistance (DSA) crews are canvassing affected areas and are able to register survivors for FEMA assistance, if needed. Telephonic Interpretation Services are available in many languages to assist survivors with language needs. When residents require further assistance, the teams may refer them to a DRC.

If you're already registered, it is not necessary to visit a DRC, but you may still want to go speak with a Recovery Specialist to update your status or find help from the other organizations. You can visit any open DRC for help with the federal disaster assistance process.

FEMA grants do not have to be repaid. FEMA assistance is nontaxable and will not affect eligibility for Social Security, Medicaid or other federal benefits.

Survivors should register even if they have insurance. FEMA cannot duplicate insurance payments, but underinsured applicants may receive help after their claims have been settled.

For more recovery information, visit [fema.gov/hurricane-irma](https://fema.gov/hurricane-irma).

###

*FEMA's mission is to support our citizens and first responders to ensure that as a nation we work together to build, sustain, and improve our capability to prepare for, protect against, respond to, recover from, and mitigate all hazards.*

*Disaster recovery assistance is available without regard to race, color, religion, nationality, sex, age, disability, English proficiency or economic status. If you or*
