***Normal operating hours are Monday through Saturday 9 a.m. – 7 p.m.; Closed Sundays.**

The U.S. Small Business Administration's (SBA) disaster assistance employees are committed to helping businesses and residents rebuild as quickly as possible.

SBA representatives are available to answer questions about SBA's disaster loan program and help business owners and residents apply to SBA.

Disaster recovery centers are accessible to people with disabilities. Centers have assistive technology equipment allowing disaster survivors to use amplified telephones, phones that display text, amplified listening devices for people with hearing loss and magnifiers for people with vision loss. Video Remote Interpreting is available and in-person sign language is available by request. The centers also have accessible parking, ramps and restrooms.

American Sign Language interpreters are available to assist at a DRC. Requests can be made via text message at **(470) 379-5943**. Survivors will need to provide their name, the address of the DRC they will be visiting, the date and time of their visit and the type of sign language they are requesting. All requests for help should be made at least 24 hours in advance of a DRC visit to ensure assistance is available.

If possible, homeowners, renters and businesses should register with FEMA before visiting a recovery center. Eligible residents may register for assistance the following ways:

- Online at DisasterAssistance.gov.
- Phone **800-621-3362** (voice, **711/VRS**-Video Relay Service) (TTY: **800-462-7585**). Multilingual operators are available (press **2** for Spanish).
- Via the **FEMA app**, available for **Apple** and **Android** mobile devices. To download visit: fema.gov/mobile-app.

The following information is helpful when registering:

- Address of the location where the damage occurred (pre-disaster address).
