

Free Rebuilding and Repair Advice on St. Thomas

Release Date: May 7, 2018

ST. CROIX, Virgin Islands – As Virgin Islanders repair and rebuild their hurricane-damaged homes, FEMA is offering free consultations and literature on making homes stronger and safer.

FEMA specialists will be on hand to answer questions and offer home-improvement guidance along with proven methods to prevent or reduce damage from future disasters. Most of the information and the free publications are tailored for do-it-yourself work and general contractors.

Advisors will be available at the following locations, dates and times:

| Island | Location | Dates | Hours |
|------------|---|-----------------|---|
| St. Thomas | Sherwin Williams 3293 Contant Suite 118 St. Thomas, VI 00802 | May 5-May 13 | Mon. – Fri. 8:30 a.m. to 5 p.m. Sat. 8:30 a.m. to 1 p.m. |

Find more information about strengthening property at <https://www.fema.gov/protect-your-property>.

FEMA specialists can offer general guidance regarding flood-insurance. Flood insurance is an important part of hurricane preparedness. FEMA grants are not intended to cover all losses.
