FEMA disaster assistance grants may help eligible homeowners pay for basic repairs to make a home habitable. Grants may also provide homeowners and renters temporary rental assistance and aid with disaster-related needs not covered by insurance. The only way to apply for federal assistance is to register with FEMA.

FEMA grants do not need to be repaid, are not considered taxable income by the IRS, and will not affect Medicare, Supplemental Nutrition Assistance Program (SNAP) or Social Security benefits.

Alabama survivors with unmet needs resulting from Hurricane Sally can dial **2-1-1** for assistance.

The deadline for applying for a long-term, low-interest disaster loan from the U.S. Small Business Administration (SBA) is **also Nov. 19.**
