

Media Advisory - FEMA Offers Free Webinars on Rebuilding

Release Date: Feb 10, 2021

BATON ROUGE, La. – FEMA’s Community Education and Outreach (CEO) offers free webinars to help those affected by the recent hurricanes with their recovery.

The next two webinars will be held Feb. 9 and 11 at 10:30 a.m. and 6:30 p.m. The topics are:

- Retrofitting Roofs/Homes in High Wind Regions: Specialists will talk about ways to harden the home to lessen the impact of wind. (Feb. 9)
- Water-Resistant Building Materials: Specialists will discuss the benefits of using water-resistant materials for repairs. (Feb. 11)

The sessions will be recorded and will be available at the Louisiana Mitigation Web Link: <https://fema.connectsolutions.com/lamit> if you are unable to attend.

Adobe Connect Platform is used for these sessions. To make sure you can participate, click on the following link:
