

FEMA Region 3 Hosts Media Tour of Regional Response Coordination Center

Release Date: June 3, 2022

On June 7, 2022, FEMA Region 3's Regional Administrator, MaryAnn Tierney, will host a media tour of Region 3's Regional Response Coordination Center (RRCC) to give an overview of FEMA's support to state partners in the 2022 Atlantic Hurricane Season and the agency's focus on equity in operations before, during and after disasters. A press briefing will take place highlighting preparedness for the upcoming season and the year-round work of FEMA and partners to protect lives and property from hurricane impacts.

Following the press briefing, Regional Administrator Tierney will participate in a media availability with Dr. Christopher Rodriguez, Director of the Washington DC Homeland Security and Emergency Management Agency (HSEMA), as well as David Manning, Meteorologist-in-Charge for the National Weather Service's Eastern Region Regional Operations Center.
