The line is open every day from 7 a.m. to 11 p.m. ET. Help is available in most languages. If you use a relay service, such as video relay (VRS), captioned telephone or other service, give FEMA the number for that service. To view an accessible video about how to apply visit: [Three Ways to Register for FEMA Disaster Assistance - YouTube](#).

Interpretation services and translated materials are available at these centers to help you communicate in the language with which you feel most comfortable.

**FEMA**

Disaster Recovery Center locations are chosen for their accessibility, with the goal of reaching as many people as possible.

In addition to the centers, FEMA Disaster Survivor Assistance (DSA) teams are canvassing neighborhoods in areas impacted by Hurricane Ian to help residents apply for FEMA assistance and answer questions about federal assistance. DSA teams wear FEMA attire and have federal photo identification badges. There is no charge for service.

FEMA Individual Assistance can help with temporary lodging expenses, basic home repairs and other essential disaster-related needs.
