There are several Disaster Recovery Centers operating throughout the impacted area. To find a center close to you, go online to: [DRC Locator](#) or floridadisaster.org, or you can text DRC along with your Zip Code to 43362.

No appointment is necessary to get assistance at a Disaster Recovery Center.

The line is open every day from 7 a.m. to 11 p.m. ET. Help is available in most languages. If you use a relay service, such as video relay (VRS), captioned telephone or other service, give FEMA the number for that service. Interpretation services and translated materials are available at these centers to help you communicate in the language with which you feel most comfortable. Disaster Recovery Center locations are chosen for their accessibility, with the goal

of reaching as many people as possible.

In addition to the centers, FEMA Disaster Survivor Assistance (DSA) teams are canvassing neighborhoods in areas impacted by Hurricane Ian to help residents apply for FEMA assistance and answer questions about federal assistance. DSA teams wear FEMA attire and have federal photo identification badges. There is no charge for service.

FEMA Individual Assistance can help with temporary lodging expenses, basic home repairs and other essential disaster-related needs.
