

President Joseph R. Biden, Jr. Approves Major Declaration for the State of Alabama

Release Date: May 5, 2023

WASHINGTON -- FEMA announced federal emergency aid has been made available to the state of Alabama to supplement state, tribal and local recovery efforts in areas affected by severe storms, straight-line winds and tornadoes March 24-27, 2023.

The President's action makes federal funding available to state, tribal, eligible local governments and certain private nonprofit organizations on a cost-sharing basis for emergency work and the repair or replacement of facilities damaged by severe storms, straight-line winds and tornadoes in Chambers, Colbert, Coosa, Elmore, Lauderdale, Macon, Marion, Morgan, Randolph and Tallapoosa counties.

Federal funding is available on a cost-sharing basis for hazard mitigation measures statewide.

Kevin A. Wallace, Sr. has been named as the Federal Coordinating Officer for federal response operations for the affected areas. Additional designations may be made later if requested by the state and warranted by the results of further assessments.
