

President Joseph R. Biden, Jr. Approves Major Disaster Declaration for Washington

Release Date: February 20, 2024

WASHINGTON-- FEMA announced that federal disaster assistance has been made available to the state of Washington to supplement recovery efforts in the areas affected by wildfires from Aug. 18 – 25, 2023.

The President's action makes federal funding available to affected individuals in Spokane County. Assistance can include grants for temporary housing and home repairs, low-cost loans to cover uninsured property losses and other programs to help individuals and business owners recover from the effects of the disaster.

Federal funding is also available to state, tribal and eligible local governments and certain private nonprofit organizations on a cost-sharing basis for emergency work and debris removal in Spokane County.

Federal funding is also available on a cost-sharing basis for hazard mitigation measures statewide.

Lance E. Davis has been named the Federal Coordinating Officer for federal recovery operations in the affected areas. Additional designations may be made at a later date if warranted by the results of damage assessments.

Individuals and business owners who sustained losses in the designated areas can begin applying for assistance by registering online at www.DisasterAssistance.gov, by calling 1-800-621-3362 or by using the [FEMA App](#). If you use a relay service, such as video relay service (VRS), captioned telephone service or others, give FEMA the number for that service.
