Release Date: May 2, 2024

WASHINGTON – FEMA announced that federal disaster assistance is available to the state of Ohio to supplement recovery efforts in the areas affected by tornadoes on March 14, 2024.

The President's action makes federal funding available to affected individuals in Auglaize, Crawford, Darke, Delaware, Hancock, Licking, Logan, Mercer, Miami, Richland and Union counties.

Assistance can include grants for temporary housing and home repairs, low-cost loans to cover uninsured property losses and other programs to help individuals and business owners recover from the effects of the disaster.

Federal funding is available on a cost-sharing basis for hazard mitigation measures statewide.

Toney L. Raines has been named the Federal Coordinating Officer for federal recovery operations in the affected areas. Additional designations may be made at a later date if requested by the state and warranted by the results of further assessments.

Individuals and business owners who sustained losses in the designated areas can begin applying for assistance by registering online at www.DisasterAssistance.gov, by calling 1-800-621-3362, or by using the [FEMA App](#). If you use a relay service, such as video relay service (VRS), captioned telephone service or others, give FEMA the number for that service.
