FEMA financial assistance may include money for basic home repairs or other uninsured, disaster-related needs, such as childcare, transportation, medical needs, funeral or dental expenses.

It is not necessary to go to a center to apply for FEMA assistance. Homeowners and renters in designated counties can go online to DisasterAssistance.gov, call 800-621-3362 or use the [FEMA mobile app](#) to apply. If you use a relay service, such as video relay, captioned telephone or other service, give FEMA your number for that service.
