

Clean and Sanitize Assistance

Release Date: Jul 1, 2024

If your home was damaged by the South Fork and Salt Fires and floods, *but you can safely live in it*, FEMA may be able to provide up to \$300 in one-time financial assistance to help with cleanup. This assistance is available to eligible homeowners and renters.

You may qualify for FEMA Clean and Sanitize Assistance if you meet the following criteria:

- Your fire- or flood-damaged primary residence is in **Lincoln** or **Otero County** or on **Mescalero Apache Tribal land**.
- A FEMA inspection has verified your home has disaster damage. The inspection noted that cleanup actions are needed or have already been undertaken.
- If you have already cleaned up, save your receipts for supplies, materials or paid help.
- The damage is not covered by your insurance.
- FEMA has determined your damaged home is safe to occupy.

New Mexico residents who are eligible for FEMA Clean and Sanitize Assistance may also be eligible for additional forms of federal assistance. Clean and Sanitize Assistance is intended to ensure minimal damage to the home is addressed in a timely manner to prevent additional losses and potential health and safety concerns.
