

Personal Property and FEMA Assistance

Release Date: Jul 10, 2024

FEMA assistance is limited to basic needs; it will not restore all property lost due to the May 10 severe storms and tornadoes. Types of Assistance

- **Appliances:** Includes standard household appliances, such as a refrigerator, washing machine, etc.
- **Clothing:** Essential clothing needed due to loss, damage or contamination.
- **Home Furnishings:** Basic furnishings found in a bedroom, kitchen, bathroom and living room.
- **Tools Required for Work and School:** Tools and equipment required for your job and items required for education purposes. This assistance also applies to self-employed individuals.
- **Computing Devices:** This includes one personal or family computer. You may be eligible for funds for additional computers required for work or school that were damaged by the disaster.
- **Accessible Items:** FEMA provides assistance for damaged personal property required for eligible applicants with disabilities.
