- Calling the **FEMA helpline** at **800-621-3362**. Help is available in multiple languages. Phone lines operate from 7 a.m. to 11 p.m. seven days a week.

After the deadline, FEMA specialists will still be available to help applicants. Those who have already applied to FEMA, can ask questions, update contact information and applications and get advice on appealing a FEMA determination by calling the helpline.
