Many FEMA employees began their careers in emergency management by helping their own communities recover from a disaster, as a Local Hire. These temporary positions start as 120-day appointments and may be extended. Benefits include sick leave, health insurance and up to 11 paid annual holidays. Applications are being accepted online.

To see all open positions and to apply, visit [USAjobs.gov](https://USAjobs.gov), type keywords “FEMA, Local Hire” and enter your location as “South Carolina.”

Detailed information is provided for each position, including pay and benefits. More information about FEMA’s hiring process can be found on [FEMA.gov/careers](https://FEMA.gov/careers) and the Local Hire career path at [LocalHire|FEMA.gov](https://LocalHire|FEMA.gov).

All applicants must be U.S. citizens and 18 years of age or older. Additional requirements vary by position type.
