

BRIC NON-FINANCIAL DIRECT TECHNICAL ASSISTANCE REQUEST FORM

Subpage to DTA Webpage: <https://www.fema.gov/grants/mitigation/building-resilient-infrastructure-communities/direct-technical-assistance>.

This form is for requesting non-financial Direct Technical Assistance (DTA) offered through the Building Resilient Infrastructure and Communities (BRIC) program provided by the Federal Emergency Management Agency (FEMA). Eligible communities request hazard mitigation assistance by completing this form. Each community or group of communities may only submit one request. A confirmation email will be sent to you within X business days. This form closes **Friday, Jan XX, 20XX** at 3:00 PM ET.

COMMUNITY DETAILS AND CONTACT INFORMATION

What community or communities do you represent in this DTA application?

Point of Contact Name:

Community Phone Number:

Preferred Email Address:

Community Address:

City/Town:

State, territory, or tribal government:

ZIP/Postal Code:

Are you federally recognized Tribal Government(s)/entity?

Yes No

Are you a non-federally recognized Tribal Government(s)/entity?

Yes No

| <input type="checkbox"/> Avalanche | <input type="checkbox"/> Extreme Heat | <input type="checkbox"/> Severe Winter Weather |
| <input type="checkbox"/> Dam Failure | <input type="checkbox"/> Flood | <input type="checkbox"/> Storm Surge |
| <input type="checkbox"/> Drought | <input type="checkbox"/> Hail | <input type="checkbox"/> Subsidence |
| <input type="checkbox"/> Earthquake | <input type="checkbox"/> Hurricane Wind | <input type="checkbox"/> Tornado |
| <input type="checkbox"/> Erosion | <input type="checkbox"/> Landslide | <input type="checkbox"/> Tsunami |
| <input type="checkbox"/> Expansive Soils | <input type="checkbox"/> Lightning | <input type="checkbox"/> Wildfire |
| <input type="checkbox"/> Extreme Cold | <input type="checkbox"/> Sea Level Rise | <input type="checkbox"/> Pandemic |

DTA SUPPORT

Through DTA, FEMA can provide support for hazard mitigation planning, mitigation project assistance, and Building Resilient Infrastructure and Communities (BRIC) application-specific needs.

Please indicate a primary Direct Technical Assistance need:

If "Other" is selected, explain further:

Please briefly describe any disasters your community has experienced in the past seven years:

Please provide a brief description of the community's need for Direct Technical Assistance and any challenges you have faced:

Please provide a brief description of proposed deliverables and timelines, including duration of technical assistance:

PREVIOUS FEMA ASSISTANCE

Have you received a subaward (Project, Advance Assistance, Capability and Capacity Building) under BRIC, the Pre-Disaster Mitigation (PDM) grant program, the Flood Mitigation Assistance (FMA) grant program, or the Hazard Mitigation Grant Program (HMGP) within the past 5 years?

Yes No I don't know

DISADVANTAGED COMMUNITIES

Social Vulnerability refers to the potential negative effects on communities caused by external stresses on human health. Such stresses include natural or human-caused disasters, or disease outbreaks. More information and resources regarding the Social Vulnerability Index can be found here <https://www.atsdr.cdc.gov/placeandhealth/svi/index.html>.

Please briefly describe the social vulnerability within your community is potentially facing or has recently faced below:

Is your community 3,000 or fewer individuals? Yes No

Justice40 is a whole-of-government effort to ensure that Federal agencies work with states and local communities to deliver at least 40 percent of the benefits from Federal investments in climate and clean energy to disadvantaged communities. More information on this initiative can be found here: <https://www.whitehouse.gov/omb/briefing-room/2021/07/20/the-path-to-achieving-justice40/>.

You can determine if your community falls under the Justice40 Initiative using the Climate and Economic Justice Screening Tool (CEJST) here: [Explore the tool - Climate & Economic Justice Screening Tool \(geoplatform.gov\)](#)

Are you designated as a disadvantaged community as defined by [Executive Order 14008](#), including Tribal Nation Government(s)?

Justice40 No I don't know

POINT OF CONTACT ACKNOWLEDGEMENT

By checking this box I confirm that **if selected** the community or communities referenced in this form agree to: a) sign a Memorandum of Understanding with FEMA before non-financial technical assistance can begin and b) actively participate in Direct Technical Assistance (DTA) according to a DTA Plan developed in conjunction with FEMA.
