

**Grant Programs Directorate
Information Bulletin No. 517**

August 23, 2024

MEMORANDUM FOR: All State Administrative Agency Heads
All State Administrative Agency Points of Contact
All Urban Area Security Initiative Points of Contact
All State Homeland Security Directors
All State Emergency Management Agency Directors
All Eligible Regional Transit Agencies
All Private Sector Transportation Security Partners
All Public and Private Sector Port Security Partners
All Tribal Nation Points of Contact

FROM: Pamela S. Williams *P.S. Williams*
Acting Assistant Administrator
Grant Programs Directorate

SUBJECT: Fiscal Year 2024 Preparedness Grant Programs Final Allocation
Announcement

Today, the Federal Emergency Management Agency (FEMA), a component of the U.S. Department of Homeland Security (DHS), is announcing the final awards and allocations under the Fiscal Year (FY) 2024 preparedness grant programs. These programs include:

- Homeland Security Grant Program (HSGP)
 - State Homeland Security Program¹
 - Urban Area Security Initiative¹
 - Operation Stonegarden
- Tribal Homeland Security Grant Program (THSGP)
- Nonprofit Security Grant Program (NSGP)
- Port Security Grant Program (PSGP)
- Transit Security Grant Program (TSGP)
- Intercity Passenger Rail (IPR) Program – Amtrak¹
- Intercity Bus Security Grant Program (IBSGP)

¹ Final allocations for these programs were announced as part of the Notices of Funding Opportunity release.

- Emergency Management Performance Grant (EMPG) Program¹

The total amount of funds allocated for the FY 2024 Preparedness Grant Programs announced in this Information Bulletin is \$1,979,464,968.¹

FY 2024 Homeland Security Grant Program (HSGP)

HSGP includes a suite of risk-based grants to assist state, local, tribal and territorial efforts to prevent, prepare for, protect against, and respond to acts of terrorism.. The grants included under HSGP are:

*State Homeland Security Program (SHSP)*². In FY 2024, SHSP provides \$373.5 million to assist state, local, tribal, and territorial governments in preventing, preparing for, protecting against, and responding to acts of terrorism. SHSP also provides funding to implement initiatives based on capability targets and gaps identified during the Threat and Hazard Identification and Risk Assessment (THIRA) process and assessed in the Stakeholder Preparedness Review (SPR) (See Table 1).

Urban Area Security Initiative (UASI). In FY 2024, UASI provides \$553.5 million to assist high-risk urban areas in preventing, preparing for, protecting against, and responding to acts of terrorism (See Table 2).

Operation Stonegarden (OPSG). OPSG provides \$81 million to enhance cooperation and coordination among state, local, tribal, territorial, and federal law enforcement agencies in a joint mission to secure the United States' borders along routes of ingress from international borders, to include travel corridors in states bordering Mexico and Canada, as well as states and territories with international water borders (See Table 3).

FY 2024 Tribal Homeland Security Grant Program (THSGP)

In FY 2024, THSGP provides \$13.5 million to directly eligible tribes to support the building, sustainment, and delivery of core capabilities to enable tribes to strengthen their capacity to prevent, prepare for, protect against, and respond to potential terrorist attacks. As in previous fiscal years, the THSGP will be a competitive grant program (See Table 4).

¹ The following FY 2024 grant programs are not part of this announcement and will be awarded separately: Assistance to Firefighters Grant (AFG) Program (\$291.6 million), Staffing for Adequate Fire and Emergency Response (SAFER) Grant Program (\$324 million), Fire Prevention and Safety (FP&S) Grant Program (\$32.4 million), and Regional Catastrophic Preparedness Grant Program (\$10.8 million).

² Per section 2006 of the *Homeland Security Act of 2002* (codified as amended at 6 U.S.C. § 607), DHS/FEMA is required to ensure that at least 25% of grant funding appropriated for grants awarded under HSGP's authorizing statute are used for law enforcement terrorism prevention activities (LETPA). By policy, DHS/FEMA increased that requirement to 35% for FY 2024. DHS/FEMA meets this requirement, in part, by requiring all SHSP and UASI recipients to ensure that at least 35% of the combined HSGP funds allocated under SHSP and UASI are dedicated towards LETPAs, as defined in 6 U.S.C. § 607. The LETPA allocation can be from SHSP, UASI, or both. Since the majority of OPSG funds are already used for LETPAs, this is not an additional requirement for OPSG.

FY 2024 Nonprofit Security Grant Program (NSGP)

The NSGP provides \$454.5 million in funding support for facility hardening and other physical security enhancements and activities to nonprofit organizations that are at a high risk of a terrorist or other extremist attack. Of this amount, \$227.25 million in funding is available to nonprofit organizations located within one of the FY 2024 UASI-designated high-risk urban areas (NSGP-Urban Area or NSGP-UA) (See Table 5). In FY 2024, additional, separate funding in the amount of \$227.25 million is also appropriated for nonprofit organizations located outside of the FY 2024 UASI-designated high-urban areas (NSGP-State or NSGP-S) (See Table 6).

FY 2024 Port Security Grant Program (PSGP)

In FY 2024, PSGP provides \$90 million to provide funds to port authorities, facility operators, and state, local, and territorial agencies required to provide security services to implement Area Maritime Security Plans, facility security plans, and other port-wide risk management activities. As in previous fiscal years, the PSGP will be a competitive grant program. (See Table 7).

FY 2024 Transit Security Grant Program (TSGP)

TSGP provides \$83.7 million to support transportation infrastructure security activities. The TSGP provides funds to eligible public transportation systems (which include intra-city bus, commuter bus, ferries, and all forms of passenger rail) that serve historically eligible UASI-designated high-risk urban areas to protect critical surface transportation infrastructure and the traveling public from acts of terrorism and to increase the resilience of transit infrastructure. As in previous fiscal years, the TSGP will be a competitive grant program (See Table 8).

FY 2024 Intercity Passenger Rail (IPR) Program – Amtrak

IPR provides \$9 million to the National Passenger Railroad Corporation (Amtrak) to protect critical surface transportation infrastructure and the traveling public from acts of terrorism and to increase the resilience of the Amtrak rail system.

FY 2024 Intercity Bus Security Grant Program (IBSGP)

The IBSGP provides \$1.8 million to owners and operators of intercity bus systems providing service to, from, or through historically eligible UASI-designated high-risk urban areas to protect critical surface transportation infrastructure and the traveling public from acts of terrorism and to increase the resilience of transit infrastructure. (See Table 9).

FY 2024 Emergency Management Performance Grant (EMPG) Program

The EMPG provides \$319.5 million to assist state, local, tribal, and territorial governments to prepare for all hazards. In addition to this funding, FEMA must also make available \$50,000 from the Disaster Relief Fund to the Republic of the Marshall Islands pursuant to Article X of the Federal Programs and Services Agreement of the Compact of Free Association Amendments Act of 2003, as amended, Pub. L. No. 108-188 (see Tables 10 and 11).
