

Hurricane Milton Pre-Landfall Communications Resources: Preparedness and Evacuations

Purpose

FEMA requests your help delivering important preparedness information to your communities as Hurricane Milton has intensified rapidly in the Gulf of Mexico, becoming a potentially catastrophic storm for the west coast of Florida on Wednesday.

Below you will find resources that you can use to provide information to your communities and encourage people to prepare for the storm, stay informed, and evacuate if told to do so.

This toolkit includes resources for [Websites](#) | [Social Media Messaging](#) | [Graphics and Videos](#)

[Storm Surge Graphics | FEMA.gov](#)

Storm surge is destructive, life-threatening coastal flooding.

Be prepared:

- Get a "go bag" ready today.
- Sign up for alerts on the FEMA App.
- Follow @NHC_surge.
- Listen to local officials & evacuate if asked to do so.

Bão dâng có sức tàn phá, gây ra lũ lụt ven biển đe dọa đến tính mạng con người.

Hãy chuẩn bị:

- Chuẩn bị sẵn sàng một "go bag" (túi đựng vật dụng cần thiết cho trường hợp khẩn cấp) ngay hôm nay.
- Đăng ký nhận thông báo trên Ứng dụng FEMA.
- Theo dõi @NHC_surge.
- Lắng nghe các quan chức địa phương & sơ tán nếu được yêu cầu làm như vậy.
