

**FEMA PUBLIC NOTICE OF AVAILABILITY  
ENVIRONMENTAL ASSESSMENT AND  
FINDING OF NO SIGNIFICANT IMPACT FOR  
Temporary Group Manufactured Housing Unit Site  
Known as the Florida-Chevy Group Site  
EAST BATON ROUGE PARISH, LOUISIANA**

Interested parties are hereby notified that the Federal Emergency Management Agency (FEMA) has prepared a draft Environmental Assessment (EA) for a proposed temporary group manufactured housing unit site. The site may provide suitable temporary housing opportunities for individuals and families displaced due to severe storms and flooding. A Major Disaster Declaration was signed by the President on August 14, 2016, for severe storms and flooding (FEMA-4277-DR-LA).

The proposed action includes developing an approximately 18-acre site for up to approximately 80 manufactured housing units (MHU), to be located in East Baton Rouge Parish, Louisiana in the City of Baton Rouge. Activities may include, where necessary, site clearing, grading, road construction, the placement of utilities (electricity, telephones, water, and sewer), and the transport and installation of manufactured homes to the site. In accordance with the National Environmental Policy Act of 1969 (NEPA), the Council on Environmental Quality (CEQ) regulations implementing NEPA (40 Code of Federal Regulations (CFR) Parts 1500 – 1508), FEMA’s Instruction 108-1-1 for implementing NEPA, the National Historic Preservation Act, Executive Order 11988, Executive Order 11990, and 44 CFR Part 9, a draft EA was written to evaluate the potential impacts of the proposed action on the human and natural environment. In order to meet the urgent need of flood survivors to find temporary housing, FEMA has conducted an expedited environmental review process to identify and address environmental issues. The draft EA summarizes the purpose and need, site selection process, affected environment, and potential environmental consequences associated with the proposed action.

Due to the emergency nature of this action, the public comment period will be brief; the three-day comment period will end on October 28, 2016. Written comments on the draft EA and Finding of No Significant Impact (FONSI) can be faxed to FEMA’s Joint Field Office in Baton Rouge at (225) 382-1560; or sent via email to [FEMA-R6-EHP@fema.dhs.gov](mailto:FEMA-R6-EHP@fema.dhs.gov). When responding by email, please reference the project name, “**Temporary Housing – Florida-Chevy Group Site**” in the subject field.
