Survivors don't need to visit a Disaster Recovery Center to apply for or receive FEMA assistance. To apply without visiting a center, go online to DisasterAssistance.gov, download the [FEMA mobile app](#) or call the FEMA Helpline at 800-621-3362. If you use a relay service such as video relay service, captioned telephone service or others, give FEMA your number for that service when you apply.

If you have questions about your application, you can also call the FEMA Helpline. In addition to visiting a recovery center, you can submit documents for FEMA review by mail or fax or by uploading them to your DisasterAssistance.gov account. To set up a FEMA online account, visit DisasterAssistance.gov, click on "Apply Online" and follow the directions.
