FEMA's mission is to support our citizens and first responders to ensure that as a nation we work together to build, sustain, and improve our capability to prepare for, protect against, respond to, recover from, and mitigate all hazards.

Following major disasters, the U. S. Small Business Administration (SBA) is the primary source of Federal funds for long-term recovery assistance. This assistance is in the form of low-interest loans and is available to non-farm businesses of all sizes, private nonprofit organizations, as well as homeowners and renters with property damaged by the disaster.
