

Federal Aid Programs for The Confederated Tribes Of The Colville Reservation

Release Date: ?? 17, 2018

Following is a summary of key federal disaster aid programs that can be made available as needed and warranted under President Donald J. Trump's disaster declaration issued for the Confederated Tribes of the Colville Reservation.

Assistance for Tribe can Include as Required:

- Payment of not less than 75 percent of the eligible costs for debris removal and emergency protective measures taken to save lives and protect property and public health. Emergency protective measures assistance, including direct federal assistance is available to eligible tribal governments on a cost-sharing basis. *(Source: FEMA funded, tribe administered)*.
- Payment of not less than 75 percent of the eligible costs for repairing or replacing damaged public facilities, such as roads, bridges, utilities, buildings, schools, recreational areas, and similar publicly owned property, as well as certain private non-profit organizations engaged in community service activities. *(Source: FEMA funded, tribe administered)*
- Payment of not more than 75 percent of the approved costs for hazard mitigation projects undertaken by tribal government to prevent or reduce long-term risk to life and property from natural or technological disasters. *(Source: FEMA funded, tribe administered)*

How to Apply for Assistance:

Application procedures for the tribe will be explained at a series of applicant briefings with locations to be announced in the affected area by recovery officials. Approved public repair projects are paid through the tribe from funding provided by FEMA and other participating federal agencies.
